NARRATIVE SUPPLEMENT	Investigative Narrative ..... ☐	INCIDENT NUMBER 09-0004925
VICTIM KRLICH, GARRICK G	OFFENSE DISORDERLY CONDUCT - MAKE UNREAS	INCIDENT DATE/TIME 07-10-2009 19:57

Off and on for the past year Victim Rick KRLICH has complained to the police it seemed he was the target of a "horn blowing campaign" targeting him and his wife...KRLICH alleged this started immediately after a property dispute with the CLEMENTE's over a house next door at 719 East Liberty.

KRLICH reports this "horn blowing" sometimes 5-10 seconds long at all hours of the morning, noon, and night...KRLICH has kept a log of these events...most upsetting to KRLICH are the occasions when he would be backing in or out of his driveway and cars would blare their horn...allegedly some cars would drive by and blow the horn 10 plus times.

On Monday March 16 KRLICH was pulling into his driveway when Jared CLEMENTE and Suspect Joseph MARANDO drove by KRLICH who had just pulled in, blowing the horn...KRLICH backed out and followed CLEMENTE allegedly to "get the license plate number to report to the police"...2 days later CLEMENTE came in to file a police report alleging KRLICH' actions "menaced him".

CLEMENTE admitted "blowing the horn at my sister and brothers house"...even though no one was outside...CLEMENTE and MARANDO were warned then "not to blow the horn" because KRLICH is reporting this as harassment and it is causing him annoyance, inconvenience, and alarm.

KRLICH was upset at what he felt was "nothing being done". The issue was mentioned to Law Director ADLER and Girard Court prosecutor Bob JOHNSON. Both felt a warning letter should be sent to the CLEMENTE's advising them of the complaint...this was done.

KRLICH alleged "the horn blowing settled down during the week but was non stop on the weekends." KRLICH advised he was fed up and set up a surveillance camera w/ audio.

On May 31, 2009 at 4:34 PM Suspect Joseph MARANDO drove by KRLICH's blowing the horn 10 - 11 times (captured on the video / audio tape) causing annoyance, inconvenience, and alarm. The DVD tape was submitted to the police department and forwarded to Prosecutor JOHNSON.

After consulting with ADLER, and Prosecutor JOHNSON, the summons was sent in the mail to MARANDO who was cited into court on Tuesady July 21 at 9 AM.

NARRATIVE

On Monday August 3, 2009 at 2159 I received a telephone call on station in reference to a noise complaint at 713 E. Liberty Street. The reportee Richard Krlich said that he believes Michael Clemente and his friends (specifically someone who drives a red two door car) are purposely sounding their air horns near his house to disturb him. Mr. Krlich said that there is a legal dispute between him and the Clemente family which is why he thinks they are doing this. Mr. Krlich said he has filed several reports with the Hubbard City Police Department but was recently told to contact Hubbard Township Police for further action. Mr. Krlich said he will contact the Chief in the morning. //END OF STATEMENT//.

Garrick G. Krlich reports an on-going neighbor dispute that has turned into the neighbors and their friends driving past and blowing the horn as they go past his home. Krlich stated that his neighbor Mike Clemente rides with the Hubbard Township Police Department, and now this evening he has a Hubbard Township Police Cruiser going past, (traveling Eastbound), and activating the siren horn, then about five minutes later beeping the regular car horn while going Westbound. Krlich showed this officer the surveillance audio/video that captured the image of a Hubbard Township Police cruiser going past the house, and then hearing the sound of the horn. Unable to determine the Unit number of the patrol car or the identity of anyone inside the car. I asked Mr. Krlich what he would like done tonight, if he wanted me to contact the officers on duty at the township, to which he responded, "No, I don't want them to know about my surveillance yet". Krlich wants to further compile evidence before letting the neighbors know of his surveillance. Krlich to call the Hubbard City Police when he has a copy of the audio/video ready to be picked up and entered into evidence with this report.

7/12/09 @ 2054 hours I placed a call to off duty Sgt. Fisher, leaving him a voicemail describing the incident and asking advice on how to proceed.

7/12/09 @ 2154 hours I received a call back from Sgt. Fisher who asked that I communicate the complaint against the Hubbard Township Police Department to Chief Coonce.

7/13/09 @ 0830 I stopped at the Hubbard Township Police Station to advice Chief Coonce of the complaint against his officers. Det. Begeot advised me that the Chief was on vacation and that he would take the complaint.

7/14/09 @ 1530 Detective Begeot on station to advise Sgt. Fisher that he spoke with both officers on duty the night in question, and reports that Ptl. Pagley blew his horn two times as he went by his supervisor's home, (at the prison), as she was working in her yard, and that it was in no way meant to upset the Krlich's.

7/14/09 @ 1725 I stopped to see Mr. Krlich at his home, to tell him what Hubbard Township found out upon looking into the matter. Mr. Krlich was satisfied with the investigation, wishing nothing further at this time.

(NEXT DAY)
I ASKED SHARI CONNERS IF SHE WAS IN HER YARD WORKING AND WITNESED THE POLICE CAR BLOWING SHE SAID NO

NARRATIVE SUPPLEMENT	Investigative Narrative ..... ☐	INCIDENT NUMBER 09-0006072
VICTIM SILVIDI, MARY ANN	OFFENSE MENACING	INCIDENT DATE/TIME 08-19-2009 20:41

Mary ann and Mark Silvidi called for an officer to report being menaced by a man known to Mr. Silvidi as Rick Krlich. The Silvidi's reported that Mark arrived home, and was in the rear drive with Mrs. Silvidi for about 5 minutes when they heard Krlich speed into their drive, exit and allegedly say, "Hey Chip, did you beep at my house?". The Silvidi's report that Mark, (Chip), replied, "No, I just beeped at the Clementes", to which Krlich allegedly replied, "Well, I'll see you at court", before tearing out of the driveway, and going through the stop sign on Princeton and Water.

I asked the Silvid's what they were hoping to have done, they expressed their concern over the way Krlich chased Mr. Silvidi to their home, pulled into their drive at a high rate of speed, and that if their family were out in the drive, that someone would've been run over. They also were upset that this man they really don't know came on their property and threatened them with court. They wished that the Hubbard Police Department communicate to Krlich that he is not permitted to be at 309 Princeton and the traffic complaint about his driving habits. I also asked Mr. Silvidi how many times he beeped at the Clementes, he replied once. (No 13 X)

At this same time, Sgt. Fisher was at the Krlich residence taking a report, and communicated to Mr. Krlich that he is not allowed to be at 309 Princeton and the traffic complaint.

Before leaving 309 Princeton I explained the process for picking up a copy of this report and taking it to the Girard Municipal Court to seek charges on their own behalf with the prosecutor as I did not witness the event tonight.

NARRATIVE SUPPLEMENT	Investigative Narrative ☐	INCIDENT NUMBER 09-0006072
VICTIM SILVIDI, MARY ANN	OFFENSE MENACING	INCIDENT DATE/TIME 08-19-2009 20:41

Mary ann and Mark Silvidi called for an officer to report being menaced by a man known to Mr. Silvidi as Rick Krlich. The Silvidi's reported that Mark arrived home, and was in the rear drive with Mrs. Silvidi for about 5 minutes when they heard Krlich speed into their drive, exit and allegedly say, "Hey Chip, did you beep at my house?". The Silvidi's report that Mark, (Chip), replied, "No, I just beeped at the Clementes", to which Krlich allegedly replied, "Well, I'll see you at court", before tearing out of the driveway, and going through the stop sign on Princeton and Water.

I asked the Silvid's what they were hoping to have done, they expressed their concern over the way Krlich chased Mr. Silvidi to their home, pulled into their drive at a high rate of speed, and that if their family were out in the drive, that someone would've been run over. They also were upset that this man they really don't know came on their property and threatened them with court. They wished that the Hubbard Police Department communicate to Krlich that he is not permitted to be at 309 Princeton and the traffic complaint about his driving habits. I also asked Mr. Silvidi how many times he beeped at the Clementes, he replied once.

At this same time, Sgt. Fisher was at the Krlich residence taking a report, and communicated to Mr. Krlich that he is not allowed to be at 309 Princeton and the traffic complaint.

Before leaving 309 Princeton I explained the process for picking up a copy of this report and taking it to the Girard Municipal Court to seek charges on their own behalf with the prosecutor as I did not witness the event tonight.

VICTIM KRLICH, GARRICK G	OFFENSE AGGRAVATED MENACING	INCIDENT DATE/TIME 12-18-2010 10:08

On 12-18-2010 at approximately 1008 officers were dispatched to the area of Creed and East Liberty for a subject with a gun. Upon arrival I observed North bound traffic backed up for almost a city block and a South bound vehicle stopped in the roadway. I exited my vehicle I observed Rick Krlich, and Matthew Shelton both whom I am familiar with brushing themselves off near a residences driveway on creed by East Liberty. Shelton had a small cut on his lip. Krlich was walking in my direction. I asked who had the gun, Krlich advised me that "he does" pointing at Shelton. Shelton was standing by his vehicle with his hands empty as I approached. Shelton was asked if he had a gun. He advised "no". Krlich was then near Shelton's vehicle by the drivers side door stating he threatened me with a gun, he hid it its in the car somewhere, I seen it or words to that effect. Shelton replied I don't have a gun he knows me referring that I Know Shelton. I asked Shelton if there was a gun in the car, he advised me no. I asked if I could take a look and Shelton said yes. I entered the vehicle from the open driver's side door to check the area of the vehicle within Shelton's reach. I first looked under the driver's seat, then in between the driver's seat and the center console where I located a black hand gun. I pulled the gun out and showed officer Knebele who was standing with Shelton. Shelton stated "that's not a gun it shoots pellets". The gun was checked and made sure it was safe. At this time I spoke to Mr. Krlich and advised him I would need a statement from him and the wittiness that was with him.

Shelton also stated that Krlich came up to his car asking his name and accusing him of being a horn blower a short time before this incident near St. Pats Church and believes that Krlich thought he was someone else because he was driving a different car. Officer Knebel stayed with Shelton to obtain his statement to those facts. I Followed Mr. Krlich to his residence to see if the incident was captured on his video surveillance at 713 E Liberty Street. I obtained a witness statement from witness #1 while I reviewed the video with Krlich. After looking at the video the events appeared to be accurate as what had been described at the scene by Krlich and witness #1. Witness #1 stated that he did not see the gun but did observe the incident by St. Pats Church and at the second location where he observed Shelton run hid hand past his neck in a slashing motion while looking at Krlich.

Krlich admitted to confronting Shelton down by the church believing that he was a horn blower. Krlich also stated that after he seen the gun he went to follow the car only to obtain the license plate number, but the car pulled into a drive so Krlich blocked him in while he had his employee (witness #1) call the police. While this was occurring a struggle took place between Krlich and Shelton. Krlich stated he held Shelton down until the police arrived. After getting

that was said. After that he and Krlich were in his driveway when a car pulled onto Creed Ave. Krlich told Chris "there he is again" when Chris turned to look he seen the suspect take his hand across his throat in a "cutting motion". Chris then advised that they turned to follow the suspect and he pulled into a driveway. Chris advised that Krlich pulled behind the car blocking it in and said wait here and call the police. At that point Chris stated that the suspect got out of his car and tried to run and pushed Krlich out of the way. They both slipped and fell and Krlich was holding the suspect saying "wait till the cops get here" Chris advised that the suspect slipped out from under Krlich and he dropped the phone and went and grabbed the suspect and held him until Krlich came over and got ahold of him and then he went back and got on the phone with dispatch and then we arrived.

The victim stated that he and Chris were down at St. Pats church and he saw a suspect "horn blower" Lauren Millers car at the red light of E. Park and N. Main. Krlich then stated he walked over to the vehicle and asked male driver (suspect 1) "do you know who I am?" The driver stated no, but your cameras are going to get you in big trouble. Krlich then asked are you Tyler Miller suspect 1 stated no, Krlich then asked if your Lauren Miller's boyfriend, the suspect stated no shes my sister. At that time Krlich stated that he told suspect 1 "well Lauren only has one brother Tyler, and ill see you in court". Krlich then advised he left the church and went back to his house and was sitting in the driveway and saw a guy slow down on Creed from E. Liberty St and point a gun at him then pull the gun across his throat and stated he moved his mouth to say "your dead mother fucker". At that point Krlich followed the suspect and he was pulled into a driveway on Creed Ave. Krlich pulled behind his car blocking him in. Krlich advised that he walked up to the suspect vehicle and stated "are you fucking nuts threatening me with a gun?" Krlich then stated he told the suspect to stay in the car until the police arrive and that's when he told Chris to call 9-1-1. Krlich then stated that the suspect got out of the car and in fear of him pulling the gun he grabbed him and told him not to move and that the police were on there way. The suspect then broke free and ran to the other side of the car, Krlich stated he thought he was going to get the gun and that's when Chris grabbed him. Krlich stated he then took control of the suspect until the police arrived.

Officer Thompson called me via cell phone and advised me that the video surveillance showed suspect 1 drive past very slow and almost come to a stop and you could see the gun being pointed. At that time I advised suspect 1 that he was under arrest for aggravated menacing and was hand cuffed (gapped and double locked for comfort) and placed in the back of marked unit 48. I then conducted a search of the vehicle and found no other contraband. I then told the suspect to call his father to come pick up the vehicle rather than it be towed. Once the suspect's mother and father were on scene I advised them to meet us

On 12-18-10 Officer Thompson and I (Officer Knebel) were dispatched to Creed Ave. in the area of East Liberty St. for a report of an altercation and one subject has a gun. Upon our arrival I seen the victim who I know to be Garrick Krlich getting up off the ground and a second subject later identified as Matt Shelton (suspect 1) getting up as well. Officer Thompson and I approached both subjects and was asking who has the gun. The victim stated that "he does" referring to suspect 1. Once the scene was secure both parties were separated and we began talking to them. Officer Thompson asked suspect 1 if he had a gun on him or in his car and he replied "no". The victim hearing this replies "bullshit, he waved it at me". At that point officer Thompson asked suspect 1 if he could search his vehicle and he stated "yes". After a second of searching a Black handgun was pulled from in between the driver seat. (It was identified as only a pellet gun) Officer Thompson went with the victim across the street to his residence to obtain any video footage of the suspect waving a gun at the victim, I stayed and spoke to the suspect to obtain as to what happened.

I advised the suspect to have a seat in my car due to cold weather and asked him what was going on. The suspect stated that he was on East Park at the red light when a man (Garrick Krlich) approached his window asking who he was. The suspect stated that he told him don't worry about me! At that point he stated that the victim asked do you know who I am? and the suspect replied no. Krlich then stated "Your that fucking prick Tyler" the suspect stated he didn't reply to this and Krlich kept saying I'll see you in fucking court. The suspect advised me that he was driving his girlfriends car which was involved in a altercation with the "horn blowing" incident of Krlichs, and Krlich thought he was Tyler.

The suspect then stated that he went home and switched cars and got his baseball gear and was headed to practice. The suspect was on Elmwood Dr. and he seen the same truck from his earlier incident and at that point he stated that he have Krlich a few "hand gestures" and Krlich did the same back to him. The suspect then stated that he pulled onto Creed Ave. and Krlich pulled behind him so the suspect pulled into a driveway to confront him. (Krlich was blocking the suspect exit from the driveway) The suspect stated that Krlich walked up to his car and would not let him exit, at one point the Krlich reached into the suspect car and attempted to pull the keys from the ignition but the suspect stated he didn't let that happen. The suspect then stated that he exited his vehicle and Krlich put his hands on him and that's when they began to wrestle in the snow until Krlich's buddy came and helped hold him down until we arrived.

Officer Thompson was speaking with the victim and a employee of his Chris Sallaz, Chris provided a written statement and advised that he and Krlich were down by St. Pat's church and Chris identified a "horn blower" for Krlich. Krlich then confronted the vehicle at the stop light and could hear Krlich ask what his name was. Chris stated that a conversation took place but could not hear all

VICTIM KRLICH, GARRICK G	OFFENSE INCIDENT	INCIDENT DATE/TIME 12-24-2010 14:33

On 12-24-10 I (Officer Knebel) was advised that the victim called police and advised that a "Horn Blower" whom he already has a case pending with just went by and blew the horn. Upon my arrival I spoke to the victim who advised me that the vehicle which he knows to be a "Miller's car" just went by and blew the horn. The victim then showed me the video which showed a white Pontiac Four door with a body mark on the passenger side rear go by his residence and prior to turning onto E. Liberty St. blow the horn twice. I then advised the victim I would investigate the issue and attempt to locate the driver.

Once back on station I used the information the victim gave me of who the vehicle belonged to and located a address for the suspect (Lauren Miller) of 3665 Creed Ave. In the Township. At that point I asked for a Hubbard Twp. Officer to meet me on E. Liberty St. so I could go to the suspect's address and see who was driving the vehicle. H.T.P.D Officer Greene and I then went to the suspect's residence and I located a White Pontiac in the garage and it had the body mark on the passenger side rear as showed in the video. At that point Mr. Miller came outside and I advised him as to why I was there and asked who was driving the vehicle. Prior to his answer his wife came outside and Mr. Miller asked her who was driving it and she replied "Lauren was". I then asked to speak to her and Mrs. Miller went inside to get her and I heard her yell "did you blow the horn again". Once Lauren was outside Mrs. Miller asked her if she blew the horn in which Lauren replied "no". I then advised her that I wouldn't be her if she didn't. Lauren then stated that she "may have bumped it on accident" at that point I asked her for her license and advised her under the directive of the Mayor of Hubbard she would be issued a citation for "Horn Blowing".

The suspect provided me with her driver license and I advised her that I would be with her in a moment as I went back to my car to fill out the citation. Lauren was cited for "Horn Blowing" and given a court date of January 6 2011 in the Hubbard Mayors Court.

Hubbard City Police Department
Voluntary Statement
Not Under Arrest

I, Garrick Krlich am not under arrest for, nor am I being detained for any criminal offense concerning the events I am about to make to Hubbard Police Dept.

Without being accused of or questioned about any criminal offenses regarding the facts I am about to state, I volunteer the following information of my own free will for whatever purpose it may serve. I am 49 years of age and I live at 713 E. Liberty St.

Was at 713, my home when blue, green car went by blowing it's horn at 7:52:05 7-27-10, then turns around comes back at 7:59:31 blowing horn again then turns around again heading east and blows horn again 8:08:19.

I followed car to Hubbard Estates got plate # CTF1616 followed car to West Park pulled into parking lot behind apartments, pulled up next to car and asked driver & passenger why they were blowing horn at my house. Driver said what are you going to do about it if I was. I said I'm going to police dept. to file a report. Driver of car said go ahead, we all know they won't do anything anyway.

I told him you better stop it you asshole I tried to leave and driver jumped out of his car and stood in front of my car and stopped me from leaving to go to police dept. He stood in front of my car hitting his chest saying come on get out of car you want some of this. I laughed at him and said you skinny ass dork my little sister could kick your ass.

He then came to driver side door and kept yelling get out of car. I called him a dork and went to H.P.D.

I have read each page of this statement consisting of 1 page(s). Each page of which bears my signature, and corrections, if any, bear my initials and I certify that the facts contained herein are true and correct.
